

Samples

Test, learn and launch with confidence

Haney offers short run printing, converting, co-packing, assembly, fulfillment, and logistics for a broad range of products, packaging formats, and consumer-use applications.

Our 30,000 sq. ft. sample department offers two large GMP pack-out rooms, a clean room, along with fully air conditioned and partitioned warehousing for product storage. Haney's facility is secure, fully fenced, and gated with full-time security personnel.

Packaging Applications:

- Sales Samples
- Direct-to-consumer e-commerce programs
- Retail test market samples
- Trial packs
